

PROJET **POINT** ^{MC}
FINAL

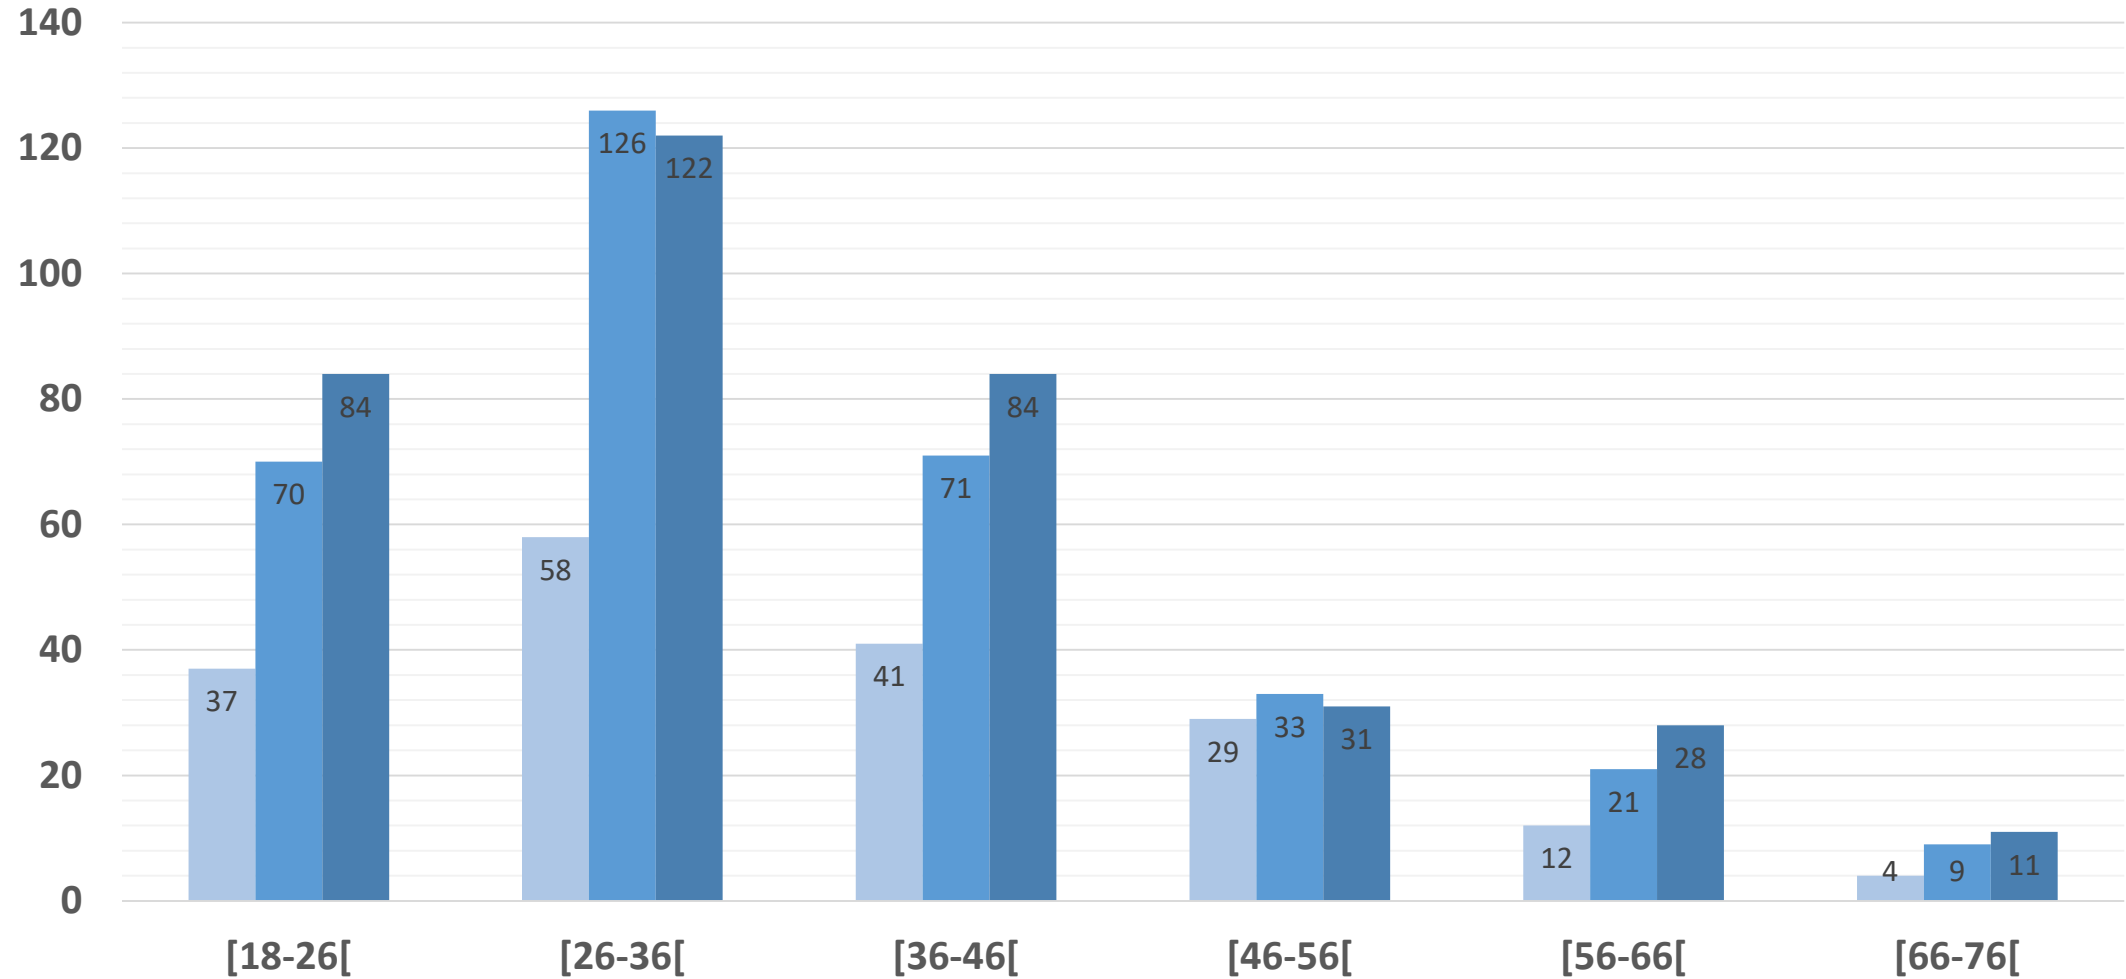

Snapshot of an Offender

All first offenders in our program have a BAC over .16/160mg or had refused to provide a breath sample. All our first offender data reflects ONLY that group.

Our data is collected from client survey.

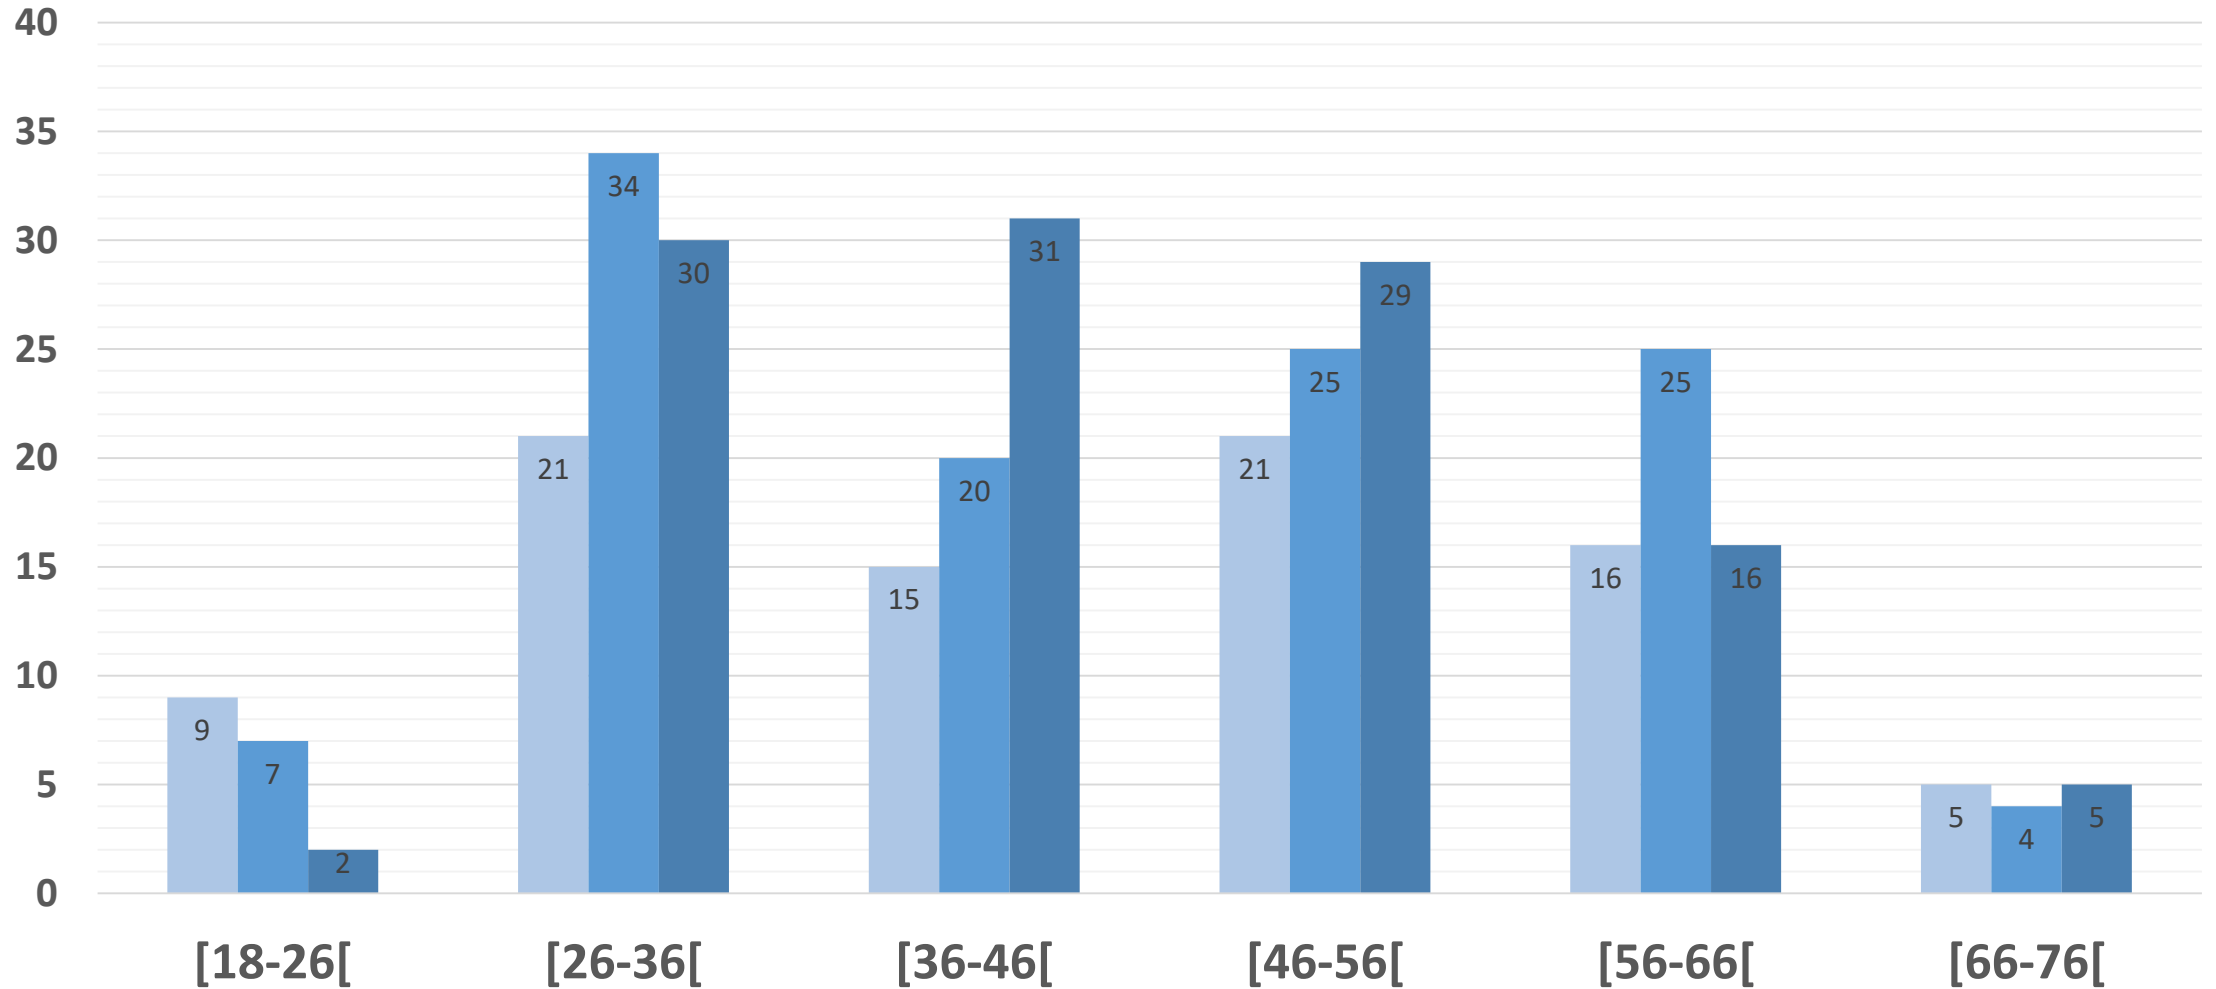

First Offenders By Age Group

2015 2016 2017

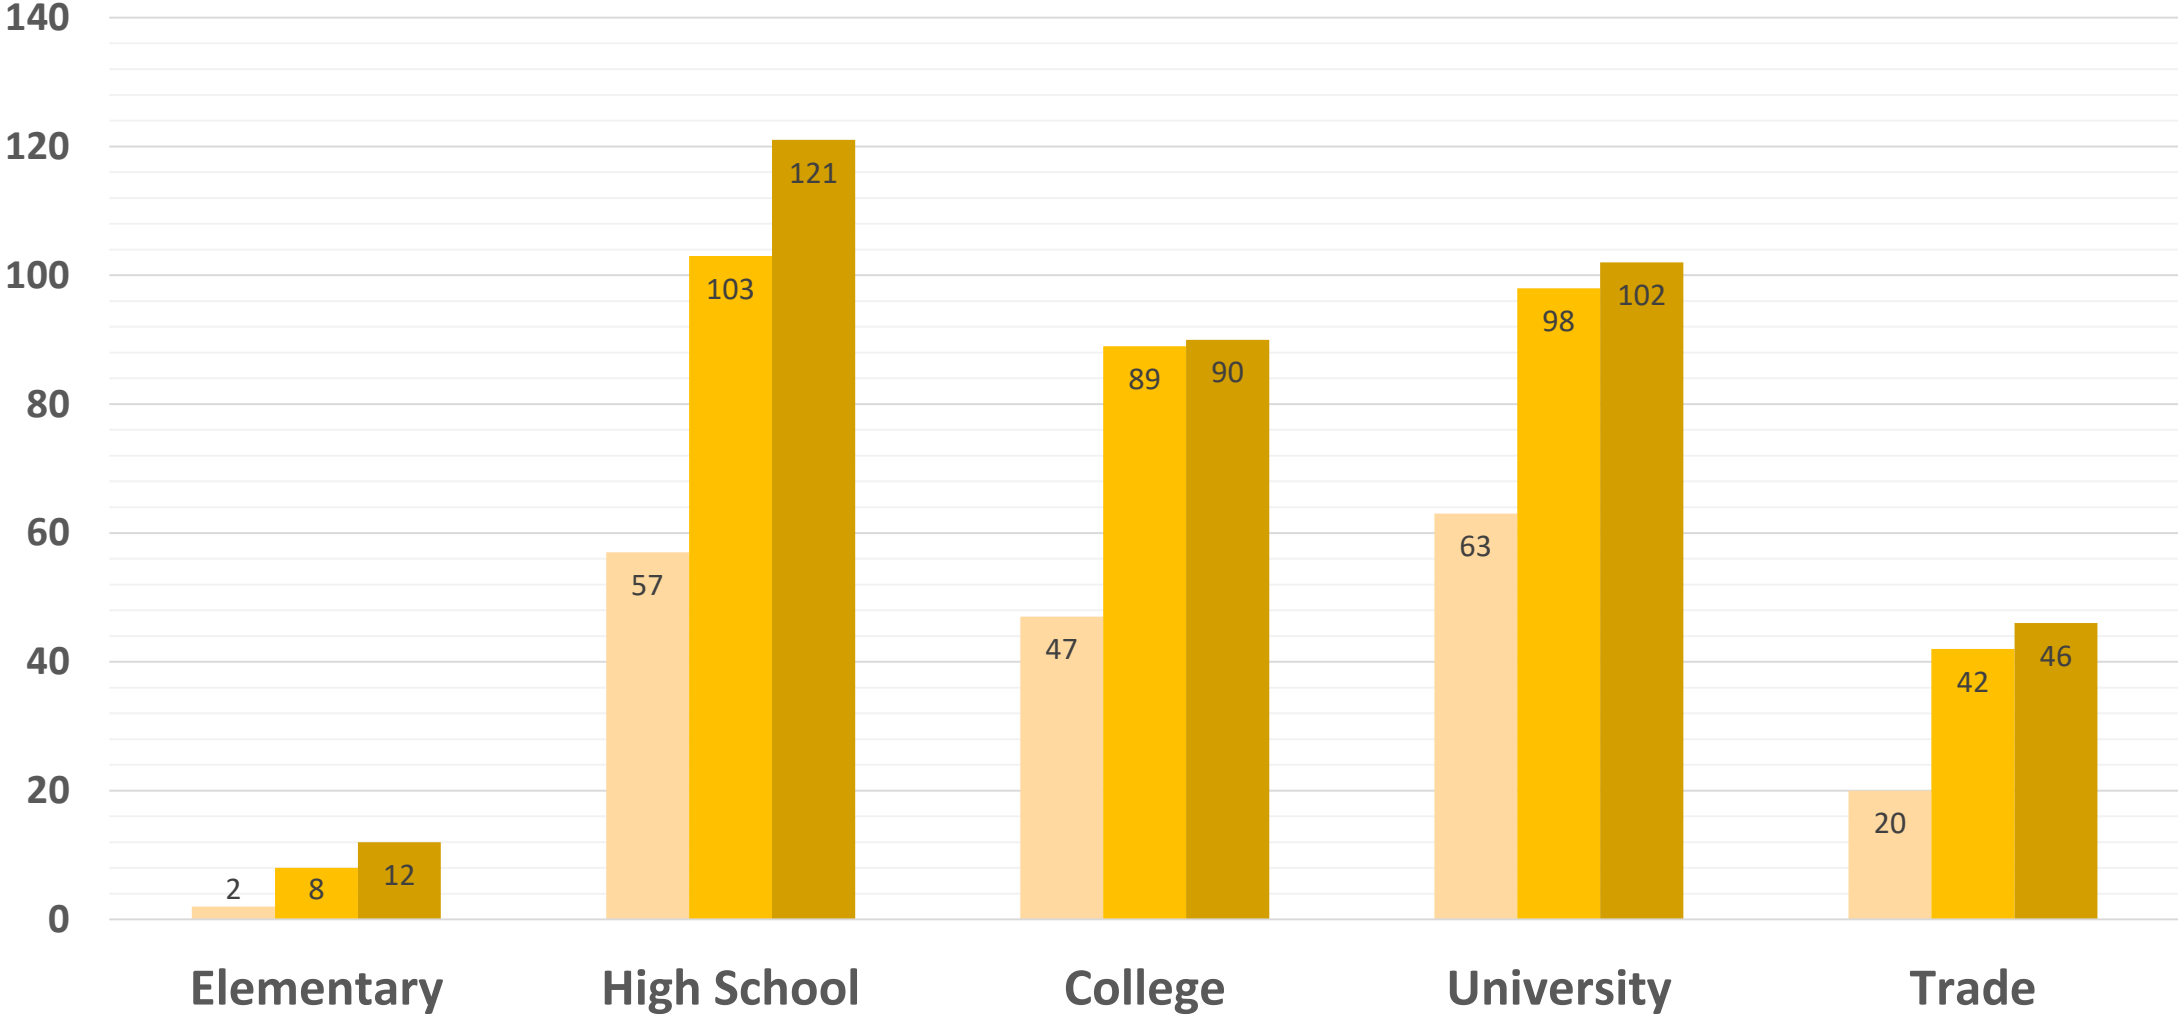

Repeat Offenders By Age Group

2015 2016 2017

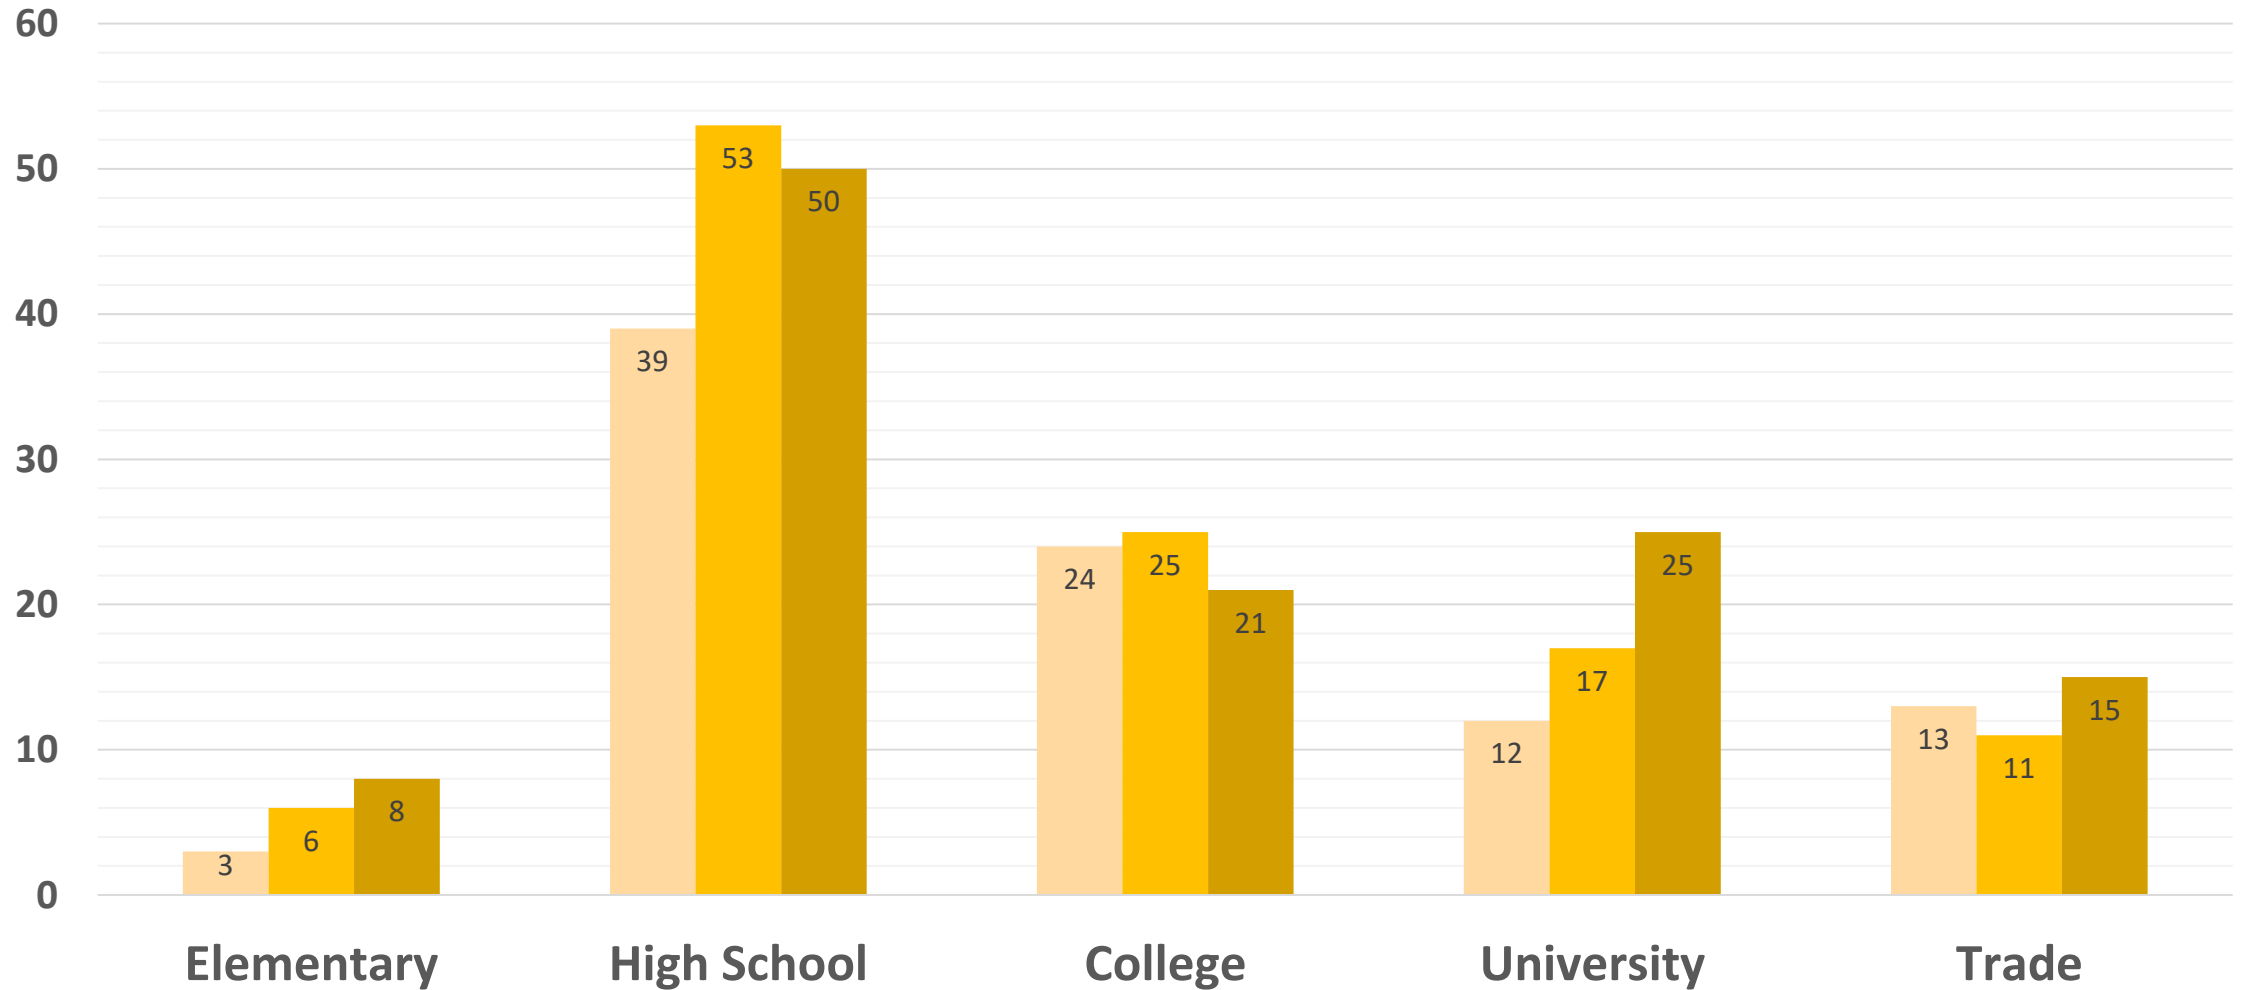

First Offenders By Level Of Education
